20 The Cultural Resources report contains confidential information related to
21 historic, archaeological, or cultural resources, or sacred places or other sites of
22 concern to local Native Americans or other ethnic groups, as described in the
23 National Historic Preservation Act of 1966 as amended through December 2014
24 (54 United States Code [U.S.C.] 100101, et seq.), the Archaeological Resources
25 Protection Act of 1979 (16 U.S.C. 470aa-470mm), and the California Public
26 Resources Code §§ 5097.9 or 5097.993.

27
28 If the confidential information is released to the public, there is a risk that the
29 information could be used to loot, vandalize, or otherwise damage sensitive
30 cultural, archaeological, historical and/or paleontological resources.
